

Dupont Manufacturing Facility

Client:	Dupont
Project Value:	£ 21,000,000
Services Value:	£ 4,250,000 Phase 1 £ 2,550,000 Phase 2 £ 420,000 Phase 3
Location:	Leeds
Completion:	March 2003 to 2005

“ Two Stage negotiated tender completed on time and within the cost plan “

Description of the Works:

The Project involved the full design and installation of mechanical and electrical services within a Manufacturing Production facility and Labs.

The project was a two stage negotiation
With a break clause for phase 2 and 3

Wheatleys completed all three phases on time and with the agreed cost plan.

The project included fume extract and radiant heating. A new High Voltage 7.2MVA, ten section ring master substation was installed to provide sufficient power to the manufacturing equipment.
