

## NUAS Accommodation, RAF Leeming

Client:	Ministry of Defence
Project Value:	£ 5,000,000
Services Value:	£ 1,150,000
Location:	RAF Leeming, North Yorkshire
Completion:	April 2002
Contract:	Defcon 2000

### Description of the Works:

The Project involved the design and installation of mechanical and electrical services within a new modular accommodation facility.

The project was split into two phases. The off site installation work was carried out in a manufacturing unit within modular compartments and delivered to site for connection to the main services and final fit out works on site, this reduced the works on site next to a live runway.
