Services Value:	£ 3,500,000 £ 1,150,000
Location:	HMPYOI Wetherby West Yorkshire
Completion:	June 2008
Contract	Prison Framework

Description of the Works:

The Project involved the design and installation of mechanical and electrical services to the new HDU and Workshop at HMPYOI Wetherby

We installed Ground Source heating via a number of 100m deep bore holes and a 6KW mast mounted wind turbine to reduce energy running costs and Co2.
