

Sheffield PFI Primary Schools

Client:	Sheffield City Council
Project Value:	£ 7,850,000
Services Value:	£ 1,900,000
Location:	Sheffield
Completion:	April 2006

Description of the Works:

The Project involved the design and installation of mechanical and electrical services within 2 newly constructed Primary schools on an existing site as part of a PFI scheme for the local authority.

The project was negotiated with the Council through a two stage tendering procurement route. Wheatleys operated as a domestic subcontractor with primary design responsibility to the main contract.
