

University of Leeds Institute of Communication Studies

Client: University of Leeds
Project Value: £4,500,000
Services Value: £ 950,000
Location: Leeds
Main Contractor: Shepherd Construction
Completion: August 2010

Description of the Works:

The Project involved the design and installation of mechanical and electrical services to the refurbished Institute of Communication Studies.
The building provides up to date facilities for the fields of communications, media, film and cultural studies.
Facilities include a cinema, new media lab, television studio and computer labs.
