

York PFI Primary Schools

Client:	York City Council
Project Value:	£ 12,540,000
Services Value:	£ 2,860,000
Location:	York
Completion:	March 2006

Description of the Works:

The Project involved the design and installation of mechanical and electrical services including sensory facilities within 3 newly constructed Primary schools on an existing site as part of a PFI scheme for the local authority.

The project was negotiated with the Council through a two stage tendering procurement route. Wheatleys operated as a domestic subcontractor with primary design responsibility to the main contractors.
