

## Grantley Hall Ripon

Client: Grantley Hall, Ripon

Project Value:

Services Value: £7,000,000.00

Location: Ripon

Main Contractor: R N Wooler

Completion: July 2019

### Description of the Works:

Wheatley M&E Services have been employed for the design and installation of the mechanical and electrical services to the refurbished Grantley Hall, Ripon.

The project consists of the refurbishment of a grade 2 listed building housing bedrooms and suites together with several specialist fine dining restaurants. The spa complex has both indoor and outdoor pools, with elite training facilities, specialist experience rooms and treatment rooms.

The extensive grounds have illuminated woodland walks and access roads.
