

## Helicopter Hangar & Accom. RAF Leconfield

Client:	Ministry of Defence
Project Value:	£ 6,000,000
Services Value:	£ 2,100,000
Location:	RAF Leconfield, Beverley
Completion:	October 2006
Contract:	Defcon 2000

### Description of the Works:

The Project involved the design and installation of mechanical and electrical services within a new build hangar facility for the Sea King Helicopter. In addition was the design and installation of an office / training facility, accommodation block, control room and stores.

There was also a provision of external services including external water tanks, wash down facilities and external / runway lighting.
