

Riverside West Offices and Apartments

Client:	RBA
Project Value:	£ 11,000,000
Services Value:	£ 1,500,000 Phase 1 £ 2,650,000 Phase 2
Location:	Whitehall Road, Leeds
Completion:	October 2004 and 2005

Description of the Works:

The Project involved the design and installation of mechanical and electrical services within a new build office and accommodation block. The project is an 8 story mixed use development with offices with Full VRF heating and cooling and apartments in a prominent position within Leeds city centre.

There was also a provision of external services and basement car parking.
